

Earn Credit for Camp...

This is an opportunity for your family to do two things:

1. Change a young person's life through introducing them to Camp Manito-wish YMCA.
2. Earn a \$100 credit to be used toward your Manito-wish experience this summer.

Enclosed is a certificate for you to share with a potential camper family. Should your potential camper family enroll by March 15, 2010, not only will they receive a credit towards their fee, you will also receive an equal credit to be used toward your experience.

How does it work?

- Write your name as the referring family on the certificate, so we can contact you about your credit.
- Talk with a family about Camp Manito-wish and tell them Camp has given you a gift certificate for a friend
- Give them the certificate.
- If there is a Manito-wish event in your town, please invite them to attend. (check www.manito-wish.org for schedule)
- Information about Camp can be obtained from our website www.manito-wish.org. You may also view our new videos on the site. We are happy to send you additional brochures. Just give us a call.

Can we apply this for a family who enrolled earlier in the year because of our recommendation?

This opportunity is not retroactive, and is available only to campers recommended by our 2010 camper families who enroll from the day after certificates are mailed through March 15, 2010.

Can we use this for a sibling who is still deciding about Camp? Yes.

If a family uses a certificate, can they still apply for a Campership?

Absolutely. We will work through these economically challenging times together. We believe as many young people as possible should benefit from a Manito-wish experience, and we don't want finances to interfere with this opportunity.

How many certificates can we pass along?

As many as you would like. However, an enrolling camper may use only one certificate toward their 2010 experience, but then they, too, can pass certificates on to their friends.

How can our credit be used?

You may choose to have your credit applied to camp fees or bus transportation.

Once we receive the certificate with your family listed as the referring family, we will contact you.

If you have any questions, please contact us at (715) 385-2312.

CAMP MANITO-WISH YMCA

Send this certificate in with your application to receive:

(If enrolling online, call us at 715-385-2312 to let us know who gave this certificate to you and send this in with your invoice.)
